

Mosquito Species in Texas (88 species as of September 8, 2023)

Aedes aegypti
Ae. albopictus
Ae. atlanticus
Ae. bimaculatus
Ae. brelandi
Ae. campestris
Ae. canadensis
Ae. dorsalis
Ae. dupreei| *Ae. epactius* | *Culex erythrothorax* | *Ps. mathesoni* |
Ae. pallens	*Cx. interrogator*	*Ps. mexicana*
Ae. grossbecki	*Cx. nigripalpus*	*Ps. signipennis*
Ae. hendersoni	*Cx. peccator*	*Toxorhynchites moctezuma*
Ae. infirmatus	*Cx. pilosus*	*Tx. septentrionalis*
Ae. japonicus	*Cx. quinquefasciatus*	*Uranotaenia lowii*
Ae. mitchellae	*Cx. restuans*	*Ur. sapphirina*
Ae. muelleri	*Cx. salinarius*	*Ur. syntheta*
Ae. nigromaculis	*Cx. stigmatosoma*	
Ae. scapularis	*Cx. tarsalis*	
Ae. sollicitans	*Cx. territans*	
Ae. sticticus	*Cx. thriambus*	
Ae. taeniorhynchus		
Ae. thelcter	*Culiseta incidens*	
Ae. thibaulti	*Cs. inornata*	
Ae. tormentor	*Cs. melanura*	
Ae. triseriatus		
Ae. trivittatus	*Deinocerites mathesoni*	
Ae. vexans	*De. pseudes*	
Ae. zoosophus		
Anopheles albimanus	*Haemagogus equinus*	
An. atropos		
An. barberi	*Mansonia titillans*	
An. bradleyi		
An. crucians	*Orthopodomyia alba*	
An. franciscanus	*Or. kummi*	
An. freeborni	*Or. signifera*	
An. judithae		
An. psuedopunctipennis	*Psorophora ciliata*	
An. punctipennis	*Ps. columbiae*	
An. quadrimaculatus	*Ps. cyanescens*	
An. smaragdinus	*Ps. discolor*	
An. walkeri	*Ps. ferox*	
	Ps. horrida	

This list was created by the TMCA Mosquito Systematics, Identification, and Biology Committee:

Dr. William Sames, Chair
(Indep. Researcher, US Army (retired))

Dr. Bethany Bolling
(Texas Dept. of State Health Services)

Dr. Rick Duhrkopf
(Baylor University, retired)

Dr. Jeff Flosi
(University of Houston, retired)

This list includes changes from:

Harbach RE, Wilkerson RC. 2023. The insupportable validity of mosquito subspecies (Diptera: Culicidae) and their exclusion from culicid classification. *Zootaxa* 5303:1-184.
